Our Handyman service provides practical help with small repairs and maintenance around the home and garden

Some examples

- Carry out a home safety check
- Fix a spy hole, window lock or key safe
- Fit a grab rail
- Fit a curtain rail
- Fix a shelf to a wall
- Reseal a bath or sink
- Change a light bulb
- Help with computers, TVs and other technology

How does it work?

The Handyman can carry out small repairs, maintenance and adaptations which you might find difficult to do yourself. All our personnel are trained and police checked. We aim to ensure that our customers remain safe and secure within their homes.

What does it cost?

The charge is £25 for the first hour and then £15 an hour thereafter. Help with technology is £15 per hour. Materials are charged at cost.
