# The Help@Home service provides the help you want when you need it

## The service

- Housework
- Laundry and ironing
- Helping you with shopping
- Preparing a meal
- Companionship
- Accompanying you to appointments

## How does it work?

We will arrange an initial home visit at a time convenient for you, to discuss your requirements and then match you with one of our carefully selected home helps. You will also receive an information pack about our full range of services. All staff are trained, police checked and can support you to get the right help if your circumstances change. We offer competitive rates for our high quality service.

**98% of our customers said they would recommend the service to others.**
